Red Teaming

Presented by:
Ryan Manship
RedTeam Security
Video will be here
Agenda

Today we will:
• Meet RedTeam
• Learn what Red Teaming is
• Hear stories about actual Red Teaming engagements
• See some of the gear used in a Red Teaming engagements

Tweet along: #Sec360
www.Secure360.org
Terminology

- RedTeam (no space) – us
- Red Teaming (with a space) – a specialized type of security testing
- Commensurate – “corresponding in size or degree; in proportion”
- Target – you
- Attacker – the bad guy
How did we get into this?

- School?
- Luck?
- Industry experience?
- Social engineering?
- Social Networking?
- Software Development?
- Help Desk?
The Phases

Reconnaissance:
- Research
- Surveillance
- Tailing

Social Engineering:
- Overt
- Covert
- Email
- Phone

Physical Security Bypass:
- Door bypass
- Communications
- Clothing
- Creativity

Hacking:
- Physical
- Digital
